58% male

41% Female

why don't bike.

Safety

Society

Create a  
bicycle friendly environment.

events of family ride half price.

Bike path in ADL → mostly connected

Melb → lots of not connected

↳ people have to switch between bike lanes and on road.

Road Infra → Instead of riding between moving cars and parked cars.

→ add some plant between moving cars and bike lane.  
↑ safety. make people more willing to ride.
